Re: Complaint filed against Georgia Power filed December 21, 2017,
Before the State Board of Registration for Professional Engineers and Land Surveyors

Dear Mr. Carroll:

The State Board of Registration for Professional Engineers and Land Surveyors ("Board") is in receipt of your complaint, regarding possible unlicensed practice by Georgia Power in relation to the Plant Vogtle project currently under construction. Please be advised that this matter seems to fall outside the scope of the Board's regulatory authority, under O.C.G.A. § 43-15-29(d). Therefore, this complaint will be closed at this time. Thank you for your inquiry.

Sincerely,

Georgia State Board of Registration for Professional Engineers and Land Surveyors
